City Election; February 9, 1992, for the Presidential Primaries.

Military Personnel may register to vote up to and including Election Day.

In answer to many requests for special registration under Mass. General Laws Chapter 51, Section 42B, at schools, colleges, nursing homes, and other principal places of activity, extra sessions were held to satisfy these requests.

Physically disabled: In accordance with the provisions of Chapter 196 of the Acts of 1946, as amended, persons who were eligible to register and vote but unable to appear at a registration office due to physical disability were registered in private homes or health care facilities in which they resided at the time of their requests. Persons so registered or found on the voting list were furnished with an application for absentee ballots.

#### NUMBER OF VOTERS

At the State Election, held on November 6, 1990, the number of registered voters on the list was 244,939. The number of voters on the first list published by the Board for 1991 was 207,719. From that time to the close of registration for the City Election there were added the names of 14,180 voters. Included in this figure are the names of 3,211 voters who were restored to the voting list without registration under the provisions of Chapter 244 of the Acts of 1947, as amended, and Chapter 555 of the Acts of 1973, as amended. From that time to the close of registration for the Presidential Primaries there were added the names of 7,923 voters. The number of voters on the day of the City Election, held on November 5, 1991, was 221,899, a decrease of 23,050 voters on the list preceding the State Election. The number of voters on the day of the Presidential Primaries held on March 10, 1992, was 229,822.

#### NOMINATION PAPERS, AND REFERENDUM PETITIONS

The Board received 2,725 nomination papers for the City Preliminary Election on which 61,799 names were certified; 7,450 referendum petitions on which 68,000 names were certified.

The Board received 174 nomination papers for the Presidential Primaries on which 1,981 names were certified.

## RECOUNT PETITIONS

There was one office where recount petitions were submitted following the Presidential Primary, for Ward Committee Ward 2, the number of recount petitions submitted was 1 paper on which 7 names were certified.

## RECOUNTS

A recount of votes cast in the Presidential Primaries for the office of Ward Committee, Ward 2 only, was held on March 24, 1992.

## REVISION OF THE VOTING LIST

The names of 4,839 voters were stricken from the voting list by reason of death, removal from the city and other causes.

## JURORS

As provided under Mass. General Law, Chapter 43, the office of the Jury Commissioner has assumed the responsibility for the selection of jurors in Suffolk County. A list of all residents in Boston was provided the Jury Commission prior to June 1 as required by law.

## PUBLIC LAW 98-435

The Board of Election Commissioners undertook a survey of all the City's polling locations for compliance with the Voting Accessibility for the Elderly and Handicapped Act, Public Law 98-435. All sites are to be in compliance by September 1986. The Boston Election Commission is in full compliance with this Law.

## ABSENTEE VOTING

Absentee voting applied to the City Preliminary and to the City Election in accordance with Chapter 632 of the Acts of 1968, Chapter 920 of the Acts of 1971, and Chapter 123 of the Acts of 1966, as amended, regulating the method of processing and counting absentee ballots made it mandatory that, after the processing and examination of the affidavits in the central office is completed, the absentee ballots must be sent to the precinct polling places to be cast and

counted; then the said count of absentee ballots cast had to be added to the count of votes cast by use of the voting machines, so that the precinct total could be recorded and reported at the precinct level.

Chapter 267 of the Acts of 1975 allowed that absentee ballots received on election day shall be processed and examined in the central office and may be counted at the office at the hour of closing the polls. After the canvass and the count has been completed, each precinct tally sheet, official returns book and check list shall be amended when delivered to the central office.

Chapter 368 of the Acts of 1966, further regulating absentee voting, made it possible for a registered voter who would be absent from the city on the day of the election, and who had no mailing address outside of Boston to which a ballot could be mailed and seasonably returned in time to be sent to the polling place before the close of the polls on election day, to receive a ballot in hand and vote by such ballot in the central office before he departed from the city.

On July 21, 1984, the Governor signed Chapter 241 of the Acts of 1984, "an act further regulating absentee voting by certain overseas citizens of the Commonwealth" to be effective immediately.

The new law makes two changes in the law for Massachusetts residents who are absentee voters outside the United States.

1. For all primaries and elections, the law eliminates the present requirement that these voters vote in the presence of an official and have their signatures notarized on the inner absentee ballot envelope.
2. For State general elections only (for example, the November 6, 1984, Presidential Election), the law requires you to count absentee ballots mailed by voters on or before election day, if you receive them on or before the tenth day after the election.

New statutes make the following changes in the absentee voting laws:

1. Local election officials must now send an absentee ballot application, completed by the official so far as possible except for the voter's signature, to every voter whose name is on the certified permanently disabled list, no later than twenty-eight days before every primary and election. (chapter 383, 1/13/86)

2. Temporarily disabled voters no longer need to attest to this fact under the penalties of perjury in their absentee ballot applications. (chapters 477, 12/6/85, 562, 12/9/85)
3. The parent of a registered voter who is a student at a Massachusetts college or university may now apply for an absentee ballot on behalf of that student. (chapter 599, 3/19/86)
4. "Federal service personnel" are now known as "specially qualified voters," because this category includes all residents absent from the state and prisoners. (chapter 477, 12/6/85)
5. The notarization requirement on absentee ballot envelopes is abolished for all primaries and elections. Instead voters formerly required to vote in the presence of a notary public must now vote in the presence of any person at least 18 years old. Voters formerly exempt from the notarization requirement (those certified as permanently disabled, or voting outside the United States) remain exempt from the new witness requirement. (chapter 562, 12/9/85)
6. If the city or town clerk or two registrars of voters designate a health care facility (such as a nursing home) for supervised absentee voting in writing at least 28 days before a primary or election, no absentee ballots will be mailed there. Instead, a registrar or two assistant registrars will hand deliver the absentee ballots, witness the voting, and return to the election office with the ballots in their custody. (chapter 562, 12/9/85)
7. Voters who state under penalty of perjury in their application that they have been admitted to a health care facility after noon of the fifth day before any primary or election, may also have their absentee ballot hand delivered and witnessed by a registrar or two assistant registrars, or if the city or town clerk allows it, by a close relative of the voter. (chapter 562, 12/9/85)
8. Absentee ballots received on election day (or within ten days after, from voters outside the United States in a state election), and counted in the clerk's office rather than at the polls, need no longer be counted by "two election officers," but may be counted by clerical personnel. (chapter 477, 12/6/85)

## DISTRICT REPRESENTATION

In accordance with Chapter 549 of the Acts of 1977, further amended by Chapter 605 of the Acts of 1982, the City Council passed an ordinance establishing nine City Councillor Districts and nine School Committee Districts to take effect for the 1983 City Preliminary and City Election.

The Board was advised by the Corporation Counsel that a Federal Court Order had struck down the City Council Ordinance and ordered a new delineation of several precincts of the city into new districts and further ordered the City to set new election dates if required.

The above changes resulted in a Home Rule Petition being drafted by the City Council and passed by the Legislature, designating new dates for the City Preliminary and City Election. Also, resulting in a redrafting of the political calendar for the year 1983. (Copies of the above Acts, Orders and Ordinances are on file in this office.)
